Review: The Airship Aurora isnt the only thing here thats lighter than air, but thats O.K. This feels like a middle grade, early YA adventure. With the airship and the alternate technology it is steampunk, but that aspect isnt heavily featured and the tech frames and informs the story but doesnt dominate it. In a similar vein, theres swashbuckling adventure...

Description: Sailing toward dawn, and I was perched atop the crows nest, being the ships eyes. We were two nights out of Sydney, and thereed been no weather to speak of so far. I was keeping watch on a dark stack of nimbus clouds off to the northwest, but we were leaving it far behind, and it looked to be smooth going all the way back to Lionsgate City. Like riding...
